The Awards for Action on HIV/AIDS and Human Rights were established in 2002 by the Canadian HIV/AIDS Legal Network and Human Rights Watch. The Awards highlight outstanding contributions that decrease vulnerability to HIV/AIDS and protect the rights and dignity of those infected and affected.

Recognizing excellence and long-term commitment to work having a direct impact on HIV/AIDS and human rights issues — in particular work that is of direct relevance to marginalized individuals and communities — an award is presented annually to one Canadian and one international recipient.
